A team effort

I am planning to bicycle more than 400 kilometres in three days as part of an effort to raise funds for the Day of Difference Foundation. I will be cycling from Brisbane to Kingscliff on October 15 to 17.

I will be joining other passionate cyclists to raise much needed funds for critically injured kids and the Day of Difference Foundation.

What I am doing is very important to me. With your support, we can make a big difference. **Should you wish to support what I am doing visit the entoure website at www.entoure.com.au and follow the prompts or simply complete the attached offline sponsorship form.**

All funds over \$2 are tax deductible and receipts will be issued to you by the Day of Difference Foundation using your credit card or an attached cheque; return this to me for processing by the Day of Difference Foundation.

Please return the sponsorship form via email or post, along with payment to Entoure:
