3. Simply participate in the ride

Riders will have the ability to establish Hero Pages with Everyday Hero and to fundraise either as an individual or team and to support programs supported by entoure or to nominate a beneficiary or foundation important to either them or their organisation. This will give riders and organisations greater choice over how they would like to connect with our events.

### clown doctors

The Humour Foundations Clown Doctors program brings smiles to sick and injured kids, their families, and the Doctors and Nurses that work so hard to take care of them. There are currently 55 Clown Doctors operating in 20 Hospitals around Australia who touch the lives of more than 135,000 people in the health care system each year. All are highly skilled professional performers trained by The Humour Foundation to work in the hospital setting. The Foundation provides ongoing support and professional development to ensure that the Clown Doctors are well equipped to bring smiles to sick and injured kids in situations that are clearly difficult. Entoure is a strong supporter of the Humour Foundation and is very happy to recommend them as a preferred partner to the Southern Highlands event.
